

Fund Objective

To provide daily cumulative returns for investors while preserving capital, the fund invests in short-term money market debt instruments issued by credible issuers.

These instruments include treasury bills, government bonds, corporate bonds, repurchase agreements, bank deposits and other money market funds.

Fund Performance

2022	2023	2024	2025	YTD Apr-26
10.47%	16.84%	23.01%	22.92%	19.58%

Asset Allocation

Investment Strategy

The fund manager will maintain low duration due to the Israel/US war on Iran and its impact on Oil prices and global asset classes, and risks of spiking inflation levels.
